Head Teacher's Notice Board

Thank you to everyone who has contributed to our Harvest Festival, I am sure that those of you who saw it at the Harvest Breakfast will agree, it makes a super display! We will be taking it to the centre next week, so there is still time to send something in. I would like to thank those pupils who have responded so positively to our zero tolerance of behaviour which inhibits learning - there has been a great learning climate through the school. I was delighted to hear how well the eight pupils who attended mass on Thursday enjoyed being there - I am really looking forward to whole school mass led by Year 6 next Thursday morning.

Miss N Watson

WHAT DO YOU KNOW ABOUT KEEPING YOUR CHILDREN SAFE ONLINE?

Technology is constantly changing and developing, which is exciting but it also has its drawbacks. Children are becoming more open to things that could potentially be dangerous. It is vital that as adults we are aware of what they are doing online. We need to ensure that there is an open relationship between children, parents and teachers so that if something is bothering them online, they feel they can discuss it with any of the adults around them.

There are two links below which might be able to help you to keep your children safe online.
