Head Teacher's Notice Board

Welcome back after the half-term break. During the break we had some more decoration completed in the school; it's starting to look really nice. We are all looking forward at the school to the exciting events happening this half-term in he run up to Christmas. We would like to thank Fr Dan, who came in to work with the year 6 on their 'Vocations' topic. Keep safe this weekend if you are planning to go to a firework display, Miss N Watson

FIREWORKS SAFETY

From Essex Police

It's estimated that 1,300 people a year suffer injuries in Britain as a result of fireworks so please make sure you don't become one of these people or have to live with the burden of having caused injury to someone else. We would encourage families to go to one of the large organised displays throughout the county. However we understand that families love to have their own social gatherings at this time of year so if you do intend to have your own Bonfire party please consider your neighbours who may not feel the same way about fireworks.

Talking to neighbours about your plans in advance allows them to make alternative plans or at least prepare themselves and their pets for the noise and disturbance fireworks can cause.

If you intend to set fireworks off yourself, please make sure you read up on how to do it safely.
