Head Teacher's Notice Board

This week was the celebration of our patron saint - St. Anne Line.

It is important to remember that it is the pupils who make the school the happy place it is. They were very reflective in their celebrations, both in church and at school.

Have a lovely weekend,

Miss N. Watson

Dear Headteacher

Further to my email on Friday. I am writing to inform you of changes to mobile crossing patrol officers cover at your school.

The provision of a School Crossing Patrol service remains a permissive, not a statutory, function and the responsibility for ensuring the safety of children to and from school is, and must remain, a parental one. Even where a patrol is provided, parents remain responsible for ensuring their children's safety, just as they do when, for example, a zebra crossing is provided.

We currently employ a number of mobile School Crossing Patrol Officers who have been used to cover long-term sickness and vacancies. This cost is typically significantly higher than that of a permanent crossing patrol officer and is no longer sustainable.

In order to manage our resources more effectively it has been agreed that, while we cannot guarantee to provide a school crossing patrol at every established site, we will endeavour to provide relief cover for a period not exceeding five days. This affects mobile relief ONLY, not your regular "lollipop person".

This change will come into effect from Monday 25th January 2016 when the five day policy will start, meaning that we will endeavour to cover the site until 29 January (unless your regular patrol returns to work before that date). This should give you sufficient time to inform parents/carers of the changes so that they can make alternative arrangements for pupils' journeys to school.

We are actively recruiting to these vacancies, so if you know anyone in your school/local community who may be interested in these positions please ask them to contact school.crossingpatrol@essex.gov.uk for more information. We are also looking for volunteers from the school community who may be willing to be trained in order to step in, at short notice, should the need arise. If your school is interested in finding out more please email (as above).

I would respectfully remind you that only School Crossing Patrol Officers, authorised by the Local Authority, have the power to act as Patrols and legally stop traffic.

If you need further clarification or would like to discuss how your school can get involved then please feel free to call me on 07557167957.

Regards

Yvonne Wilson

Interim School Crossing Patrol Manager
