Head Teacher's Notice Board

As we close the doors to another school year we also celebrate the continuing journey of our Year 6 pupils. We have faced challenges together, and now it is time for them to spread their wings and continue on their next paths. We wish them all the very best, and to keep God in their hearts. On behalf of the staff, I would also like to wish everyone a wonderful summer break; recharging, being with family and hopefully filled with many happy days. Thank you to staff, pupils, governors and parents for your continued support; St. Anne Line wouldn't be the same without you.

Have a wonderful summer,

Miss N Watson

YEAR 5 RUGBY

9 boys from Year 5 had the amazing opportunity to take part in their first contact match of rugby at Basildon Rugby Club RFC on Wednesday. They played incredibly well with some great tackles and many tries scored. They entered into the true heart of the sport, congratulating the other team from The Willows and had exceptional manners the entire time they were there. Well done boys!!

Risky Behaviour Sessions

- **Young people spend a lot of time on social media, the internet and socialising.**
- **Most of the time it is normal adolescent activity but sometimes it hides a risk to a child.**
- **Would you be able to tell the difference?**

Basildon Community Safety Partnership has organised a programme of information sessions open to parents, carers and guardians across the Basildon Borough, to help recognise signs of risky behaviours in young people.

The two and a half hour events have been organised as the result of a successful session delivered to parents in March 2016 where all those attended rated the event as either 'very good' or 'good'.

The sessions aim to provide parents with important knowledge that will enable them to safeguard their children from risks associated with online usage and gangs.

The content will illustrate exactly how young people could potentially be exploited and critically how you can be alert to and help prevent and reduce these risks ensuring your loved ones are safe.

Agencies recognise that to enforce the messages and strengthen the communication between children and parents, it is essential that parents are helped to understand the potential risks young people may face, the signs to look out for and the support that is available from local services.

If you are a parent and want to book a place at a session as follows:

- **Wednesday 3 August from 6:30pm in the St George's Suite at the Basildon Centre, SS14 1DL**
- **Wednesday 10 August from 9:30am in the St George's Suite at the Basildon Centre, SS14 1DL**
- **Monday 12 September from 6:30pm at the Collaborative Learning Centre, Wickford, SS12 0LZ**
- **Tuesday 20 September from 9:30am at the Collaborative Learning Centre, Wickford, SS12 0LZ**

Please RSVP via communitysafety@basildon.gov.uk or call 01268 206906. Places are limited and will be allocated on a first come first served basis.
