Head Teacher's Notice

Friday 31st January 2020

It's been a lovely week at St. Anne Line Juniors.

On Wednesday, Class 6 celebrated their work with a fantastic Class Assembly. Well done to the class, and thank you to all the parents who came to support the children.

We then ended the week celebrating our wonderful school on St. Anne Line Day. The children enjoyed the BIG Breakfast and Mass in the morning, and then took part in drumming workshops in the afternoon. It was a great day! (Please see some of the photos below.)

Have a lovely weekend,

Miss N. Watson

27 January 2020

Dear Miss Watson,

I would like to congratulate you, your staff and your pupils on the very high standard of achievement demonstrated in the mathematics Key Stage 2 assessments last year.

Your school's results, as published on 13 December, show that 100 per cent of your pupils reached or exceeded the expected standard in mathematics at the end of Key Stage 2. This means that for achievement in mathematics, St Anne Line Catholic Junior School is in the top 2 per cent of primary schools in the country.

The Government wants to ensure that every child has the fluency in mathematics necessary to prepare them for a successful secondary education and beyond, which is why I was delighted to see your results.

Thank you for your work in continuing the drive towards higher academic standards, and congratulations again to you and your staff for your commitment and success.

With best wishes.

Yours sincerely,

Rt Hon Nick Gibb MP
Minister of State for School Standards
