## Deputy Head's Notice

Friday 15th May 2020

This week in school, the staff and children have been socially distance dancing through the decades from the roaring 20's into the swinging 60's – we are now all super fit, check us out on Instagram. We have had another great week Zooming with all the classes; this week's discussion has been on the topic of random acts of kindness that the children have carried out or intend to do over the next week. We are so very proud of the children of our school who continuously follow the St. Anne Line Way; showing such kindness and love to others. Have a lovely weekend, let's hope it continues to be sunny, *Mrs L. Short*

### Miss Maisey's Task 'Dreaming of life out of Lockdown' St. Anne Line Junior Collaborative Art project

By now you should have received an email detailing an art project that Miss Maisey (our resident artist) would like all children to take part in. If you haven't yet received the details, please contact the school and we will send out to you. The finished pieces will be put into an exhibition for all to see when we all return to a more normal life. Please send your child's art into the following email:
