Check out the goings on at school/home learning.

Lockdown continues, but the Zoom lessons are working really well; it is fantastic to see so many children attending the lessons every day. Keep up the great work!

In school this week we have been busy with the vulnerable and critical worker's children attending each day. Unfortunately, as yet we have not received any communication regarding when we will be reopening the school fully to all children, but we will continue to keep in touch with parents regarding updates.

Once again, well done to all the children who are working so hard, and thank you to parents for supporting your child's learning at home.

Keep safe, keep well and God bless.

## Prayer

Dear Lord,

As we thank you for the gift of life, we also thank you for the gift of the wonderful people we have met along this journey.

Some of them inspire us, stretch us, challenge us, love us, and encourage us. All of them help us to realise how meaningful and beautiful our lives are. We love them so much. Bless them, Lord, with good health, security, wealth, success, peace, and joy.

Amen
