Head Teacher's Notice

Friday 15th July 2022

It's been another busy week at school... The Year 6 children have all now received their SATs results, and we are SO incredibly proud of all they have achieved, with **THE BEST RESULTS EVER** gained at St. Anne Line Catholic Junior School - Their hard work, dedication and great sense of humour have been an inspiration to the whole school. A **MASSIVE WELL DONE**. Reward's Day was held on Monday, and it was lovely to be able to recognise the children who follow the 'St. Anne Line Way' and all that it means to the school. On Wednesday, we had Sports' Day, family picnic and an Open Afternoon. It was fantastic to see our SAL Junior family come together for another amazing day - Thank you to all those who were able to attend.

On Thursday, the Year 6 performed 'Sherlock and Cinders' to their parents...and what a performance it was!

The week ended with the fete and all the children graduating from their current year group. The children now look forward to meeting their new teacher on Monday, and starting work in their new year group.

Have a wonderful weekend, *Miss N. Watson*

Safeguarding at the Heart of Our School

Year 6 Production: *Sherlock & Cinders*

Dear Parents,

Over the last three weeks, the school office has been inundated with Leave of Absence requests to take children out of school during the last weeks of term in order to go on holiday, to take advantage of cheaper flights, and using covid as the excuse for not seeing family abroad. Neither of these reasons are exceptional, as many families across the country, including SAL Junior staff members are in the same position.

The last week of school at St. Anne Line Catholic Junior School, is one of the most important weeks of the Academic Year, as the children move into their new school year group, and start working through the next year's curriculum - it is **not** spent watching DVDs, having parties and coloring (which has been suggested). We pride ourselves with providing the best education for your children, resulting in the incredible SATs results achieved again this year. Whilst the school understands that holiday prices rise significantly during the summer break, every member of staff is expected, by parents, to fulfil their job responsibility - Would parents accept for teachers and other staff to go on holiday early?

Please think before you book your holiday; the learning time being missed by not attending the last week of school is **26 hours of learning**, which will NEVER be revisited - resulting in your child being behind before they start school again in September.

Thank you for your continued support with this matter.

Yours faithfully,

Miss N. Watson - Head Teacher.
