1	anonymous	As a parent of a year 3 student I have to say it seems a little unfair the way they are scored every half term as it is causing my child quite a considerable amount of stress if he doesn't get a perfect 10 out of 10 score. It would be helpful if as well as the score maybe some advice or explanation could also be given so that something positive can come of it.
2	anonymous	My daughter love and enjoy being part of Saint Anneline junior,
3	anonymous	Would really appreciate more updates about school events, and progress regarding our children's holistic performance rather than academic achievements.
4	anonymous	Highly recommended this school
5	anonymous	My son is very happy at school what more could I ask for. He receives nurture as well as education and has a real sense of belonging. Miss Watson and Mrs Short are very present at the beginning and the end of each day, which is nice.
6	anonymous	I couldn't ask for a better school for my children. Staff are amazing and make my children's time at school a happy and safe environment. Thank you to you all
7	anonymous	I couldn't ask for a better school for my children. Staff are amazing and make my children's time at school a happy and safe environment. Thank you to all
8	anonymous	I feel there should be more incentives for academic achievements.
9	anonymous	Clubs: school should offer more variety of morning clubs e.g chess club, board games club, coding/robotics. Also variety of after school clubs for example cooking, learning foreign language. Most varieties of the afternoon clubs are squeezed in one day. Other days children can only choose from one or two clubs. Communication with school: sometimes messages/information are send last minute. Safety: generally school is safe place. How you make sure that children left the school premises with designated adult?? Pick up times are manic. Regarding parking: name and shame, report all nuisance drivers. Until is not financial, significant penalties most of nuisance drivers will not bother to use church car park. Children should be given opportunities to go out into community for example to the local library, cinema, theatre shows. When children will have opportunities for school trips? Covid is not an excuse anymore. All children should have opportunity to go swimming. Forest school for all children. Teaching more about how important the nature is, recycling ideas etc.
10	anonymous	Q8- My child doesn't like to read but we encourage him at home by providing age related books recomended , new and interesting hoping he will turn around.
11	anonymous	None
12	anonymous	None
13	anonymous	Love the school

15	anonymous	I have recently raised concerns I have with my son and another pupil, I was told to email as apposed when. I asked what would be the best action. my email was forwarded to the class teacher but when I asked my son the following day if the matter had been addressed or if he had been spoken to and reassured, he advised me hadn't therefore I have based a couple of my answers based on this experience.
16	anonymous	Na
17	anonymous	For communication regarding unexpected closing of school, parents need to be given more time to make adjustment for child care cover. Text are sometimes sent on the way taking child to school or shortly before leaving home.
18	anonymous	I'm really happy with extra tution from the government and all support from school
19	anonymous	Thank you
20	anonymous	Pros: Good leadership team and good variety of after school clubs; safe environment for kids Cons: Class teacher not approachable; parents don't have meaningful visibility over topics covered in a classroom; yr 4 children struggle with basic English grammar, comprehension and reasoning; parent/teacher consultations are meaningless, as parents are given off the cuff and general information only School serves junk food, but teaches about balanced diet
21	anonymous	Parent/Carer and Teacher relationship is lacking in my opinion... I think a lack of presence for example during drop off and/or pick up where Parent wait outside for their child makes it hard for relationship building with the Teachers. If I take the Infant School for example – Parent/Carer and Teacher see each other and that regular familiarity (i.e., small chitchat, nod) etc helps with relationship building.
22	anonymous	No comment
23	anonymous	I felt one teacher biased to some parents and just ignore others when interacting. My daughter greeted her everymorning but she didn't had the courtesy to look & greet her. My daughter was really upset and sad.
24	anonymous	Communication including the clarity of information and the way you communicate can be improved upon. Teachers failing to give call backs when requested is unacceptable. There should be an easier way of getting in touch with the children's teachers. In other schools Parents or Carers can easily email the teacher directly and discuss any concerns.
25	anonymous	I think the school needs to communicate some information or requirements in a reasonable good time, so that parents can prepare eg. When children need to wear a specific costume.
26	anonymous	Question -4: My child doesn't know evening class prayer. Please assist him We are pleased about his improvement and appreciate the extra tutoring class for my son.

27	anonymous	Great transition from Year 2 to Year 3, my child loves the school and is very happy.
28	anonymous	The school is so welcoming and love to come in during the events like the breakfasts
29	anonymous	None
30	anonymous	It will be sad when my son leaves in year 6
31	anonymous	Thank you.
32	anonymous	Love the big breakfast and being welcomed. Its good having the head mistress and deputy on the gate every day.
33	anonymous	My kid loves the different clubs at school.
34	anonymous	My son is doing very well at school, thank you teachers.
35	anonymous	My child likes to talk about the new things his learning.
