ST ANNE'S ECHO

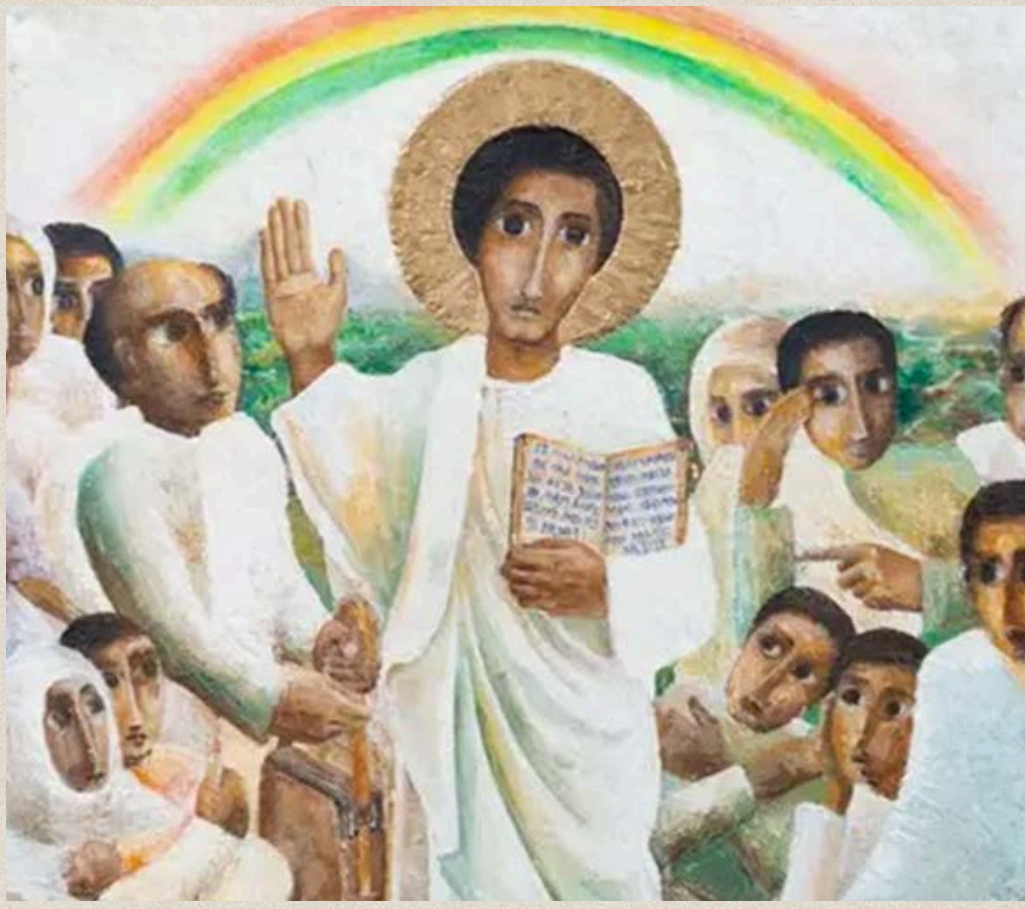

FRIDAY 4TH APRIL 2025

PUPIL EDITION

Mother Figure Day was a time to honor the amazing and dedicated women in our lives. People joined us in celebrating this special occasion by bringing their loved ones to enjoy the fun activities we had planned together. Cherishing their mothers was essential for a strong relationship, so they came and spent some quality time with us at St. Anne Line!

On Monday the 24th, we attended a Lenten assembly organised by our incredible faith disciples. The assembly was truly inspirational, as it taught us the importance of loving one another during this Jubilee year. Additionally, we learned about the wonderful charity known as Missio, which does remarkable work for those in need.

OUR RADIO IS BACK

After several weeks of visits from tech specialists, our school’s radio station is finally up and running.

All our favorite songs and artists are playing fantastic tunes, and with our new radio monitors mastering the latest technology, we’ve made remarkable progress.

We interviewed some of the students involved in the radio, and here are their responses:

JE - Year 6 (we're using initials only): She expressed that it is a true pleasure and feels honored to be part of it.

When asked about her role, R M- Year 6 shared that she communicates the top news through the microphone.

Our Year 5 and 6 boys' football team journeyed to Kingswood School for a match. They showcased excellent performance and demonstrated great sportsmanship. Thankfully, we secured a fantastic victory with a score of 5-0. Another win for the team calls for another celebration!

On Friday, April 4, 2025, we held a poignant yet remarkable assembly focused on the Stations of the Cross. We reflected on Jesus's passion and the sacrifice He made for us during this solemn occasion. Each station was beautifully created by our school, and our dedicated faith disciples, choir members, along with our head boy and girl, contributed to the remembrance of the stations with a thoughtful attitude.

On Friday, April 4th, we hosted an exciting Easter egg raffle at school, featuring several winners and showcasing great sportsmanship from all participants. A heartfelt thank you to everyone who contributed, both staff and parents; your support is truly appreciated.
