Head Teacher's Notice

Friday 20th March 2026

It has been a slightly quieter week in school, with a continued focus on high-quality teaching, learning and the daily routines that support our pupils so well.

We were pleased to connect with parents and carers from Class 1, 2 and 3 for their parent-teacher consultations, which were held via Zoom. These meetings provide a valuable opportunity to share pupils' progress, celebrate their achievements and discuss next steps together. Thank you to all who attended and for your continued partnership in supporting your children's learning.

A particular highlight of the week, which was fed back to SLT, was Class 6's beautiful Class Liturgy. Thoughtfully planned and reverently led by the children, it was a meaningful time of prayer and reflection for all involved. The pupils demonstrated great maturity and understanding, helping to bring our school community together in faith.

We look forward to another positive week ahead as we build up to the Easter Break.

Thank you, as always, for your continued support.

Have a lovely weekend.

God bless,

Miss N. Watson

Prayer

Dear Lord,
Help us to tell of Your wonderous power and mighty acts to those generations that come after us.
May we not let the season pass by without pondering the real meaning of Easter.
Amen

"For God so loved the world that he gave his one and only Son, that whoever believes in Him shall not perish but have eternal life." John 3:16

Public Health Notice

The outbreak of meningitis in Kent has been heavily covered in the news and may be causing anxiety in Essex.

The public health team at Essex County Council have said that there is no increased risk to anyone in Essex unless they have a direct link to a case of meningitis in the Kent outbreak and been contacted by the UK Health Security Agency.

Simply being a contact of a person with a direct link does not increase the risk.

If you would like to know more about the outbreak and how it is managed there is an update on the UK Health Securities webpage. If you would like to know more about meningitis and how to spot it the NHS webpages give good advice.
