Head Teacher's Notice

Friday 12th June 2026

It has been another busy and productive week in school, with pupils across a number of year groups rising to different challenges and opportunities.

A particular highlight was the visit by the children in the Beehive to the London Transport Museum. Travelling to London by train made the experience even more exciting, and the children thoroughly enjoyed exploring the museum and learning about the fascinating history of transport in our capital city. We were very proud of the way they represented our school throughout the trip.

This week, our Year 4 pupils completed their Multiplication Tables Check. We are incredibly proud of the hard work and dedication they have shown in preparing for this assessment, and they approached the challenge with confidence and determination.

On Friday, pupils in Years 3, 4 and 5 began their Summer Term assessments, which will continue next week. These assessments provide an opportunity for children to demonstrate the progress they have made throughout the year and help teachers plan the next steps in learning.

As we move into another busy week, we encourage all pupils to continue giving their best effort and taking pride in their achievements.

Have a wonderful weekend. God bless,

Miss N. Watson

Prayer

Loving God,

Thank you for the gifts and talents You have given to each of us. Help us to notice when others need our care and support, and give us the courage to respond with kindness and compassion. Guide us to use our words and actions to bring hope, peace and joy to those around us. Bless all who work to help others, especially those who care for the sick, the vulnerable, and those in need. May we answer Your call each day and share Your love wherever we go.

Amen

"***Freely you have received: freely give***." Matthew 10:8

Eleventh Sunday in Ordinary Time

As we continue our journey through Ordinary Time, this Sunday's Gospel reminds us of Jesus' great compassion for others.

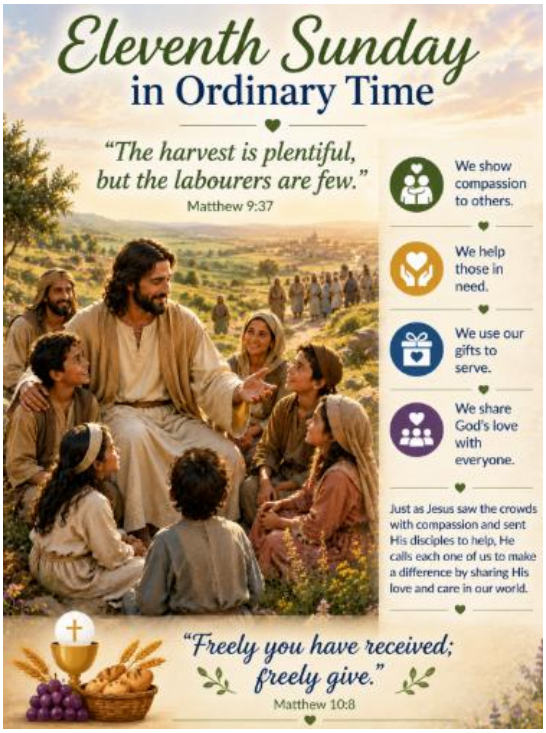

When Jesus looked at the crowds, He saw people who needed hope, care, and guidance. Filled with love, He called His disciples and sent them out to share God's message and serve those in need.

At St. Anne Line Catholic Junior School, we reflect on how we can follow Jesus' example:

- By showing compassion to those around us.
- By helping others when they need support.
- By using our gifts to serve our community.
- By sharing kindness wherever we go.

Just as Jesus called His disciples to make a difference in the world, He calls each one of us to be people of faith, service, and love. May we continue to grow as disciples of Christ, ready to use our talents to help others and bring God's love to everyone we meet.

"The harvest is plentiful, but the labourers are few." (Matthew 9:37)
