Head Teacher's Notice

Friday 5th June 2026

It has been a rather unusual week in school as our Year 6 pupils have been away enjoying their Isle of Wight residential. From all the updates we have received, they have had an amazing time, creating wonderful memories, taking on new challenges and strengthening friendships. We look forward to hearing all about their adventures when they return. A big thank you to all the staff who accompanied the children, keeping them happy and safe.

The school has certainly felt much quieter without our oldest pupils! However, the rest of the children have been absolutely fantastic. They have continued to work hard in their lessons, demonstrated excellent behaviour and approached their learning with enthusiasm and positivity.

Whilst there have been fewer events taking place this week, it has been a pleasure to see the children so focused and engaged in their learning. Weeks like these are a reminder that the day-to-day life of the school, where children learn, grow and support one another, is just as important as the special events and trips that take place throughout the year.

We look forward to welcoming Year 6 back and hearing about their experiences, while continuing to make the most of the exciting opportunities that the remainder of the term will bring.

Have a wonderful weekend. God bless,

Miss N. Watson

Prayer

Loving Jesus,

We thank you for the gift of the Eucharist, a sign of Your presence among us.

Help us to be generous with all that we have, to share with those who are in need, and to care for one another with kindness and compassion.

Bless those who are hungry, lonely, or struggling, and guide us to be Your hands and feet in our world.

May we always remember that Your love is enough for everyone and that we are called to share it freely. Amen

"***They all ate and were satisfied***." Luke 9:17

The Most Holy Body and Blood of Christ

This Sunday, the Church celebrates the Feast of the Most Holy Body and Blood of Christ, also known as Corpus Christi. It is a special opportunity to give thanks for the gift of the Eucharist, where Jesus comes to us in a Unique and wonderful way.

In this Sunday's Gospel, Jesus feeds the crowd with five loaves and two fish, showing His love and care for all people. This miracle reminds us that God provides for us and that Jesus continues to nourish us through the Eucharist.

At St. Anne Line Catholic Junior School, we reflect on what the Eucharist teaches us:

- To be thankful for God's many blessings.
- To share what we have with others.
- To care for those who are in need.
- To recognise Jesus' presence in our lives each day.

Just as Jesus fed the crowd and ensured that everyone had enough, we too are called to share God's love generously and help build a community where everyone feels welcomed, valued, and cared for.

"They all ate and were satisfied." (Luke 9:17)

Prayer and Liturgy Newsletter – June 2026

June is dedicated to the Sacred Heart of Jesus, offering an opportunity to reflect on the love and mercy of Jesus Christ, shown through His death and Resurrection. This focus connects with the themed series 'Amazing Mysteries', which begins this month with an exploration of two key solemnities: 'The Most Holy Trinity' and 'The Most Holy Body and Blood of Jesus' (Corpus Christi). These assemblies help children to understand more about who God is and how Jesus continues to be present with us. This newsletter shares some of the content children will experience in school throughout June and suggests ways for you to engage with them about it. We hope it is a useful resource for your family prayer time.

Amazing Mysteries: The Most Holy Trinity

In the week beginning 1st June, we begin the 'Amazing Mysteries' series as children explore one of the important mysteries of the Church. They are introduced to the mystery of the Holy Trinity, learning that God is one God in three persons: God the Father, God the Son and God the Holy Spirit, united in a perfect relationship of love. In the Gospel for this week (John 3:16-18), Jesus speaks about how much God the Father loves the world and He sent His Son to Earth. Children learn that God wants us to experience His amazing love for us, through each person of the Trinity. During prayer, children spend time reflecting on different artistic representations of the Trinity to help them think more deeply about this mystery.

With your child/ren, you may also like to…

- *Prayerfully make the Sign of the Cross and explain that it is a sign of our faith in who God is.*
- *Look at an image of the Trinity, ask what your child notices and talk about what it means that God is Father, Son and Holy Spirit.*
- *Think of ways your family can show love and care to one another each day.*

Mission Possible

During the week beginning 15th June, the daily prayers focus on responding to Jesus' call to share God's love. Inspired by the Gospel, children reflect on how they are invited to take part in this mission through simple, everyday actions. Across the week, children think about how small choices — such as being kind, helpful, and welcoming — allow them to share God's love with others in their daily lives.

The following prayer is one that you may like to pray with your child.

Jesus,
We give you all of today.
All we do and think and say.
All our work and all our play.
We want to do it in your way.
Amen

Fear Not

In the week beginning 22nd June, children are invited to understand how much God loves them. In the Gospel (Matthew 10:26–33), Jesus reminds His disciples not to be afraid, but to trust in God's care for them. Children discover that knowing they are unique and valued can help them to trust God, even when they feel worried or uncertain. Through prayer and reflection, children consider how they can choose trust over fear when they face challenges.

With your child/ren, you may also like to…

- *Talk about what it means to be valued and cared for.*
- *Share any worries together and think about ways to face them with trust.*
- *Reflect on times when choosing trust instead of fear has helped in a difficult situation.*
